

# CHOOSE YOUR OWN ADVENTURE® JR.

## READ-ALOUD BOOK CLUB

Calling all adventurers! Get 5- to 8-year olds excited about reading by starting a Choose Your Own Adventure® Read-Aloud Book Club. The following kit contains instructions for starting your own club, downloadable resources, and suggested activities.

### HOW IT WORKS

- The club works best with 5-20 kids at each meeting.
- The club can run for 9 months or 9 weeks; a total of 9 books will be read throughout the course of the club.
- Before you get started, print out "Adventurers' Passports" for each member. As they participate in each session, they will earn a "book badge" or stamp to glue inside.
- Once the adventurer completes the passport, they will receive a prize pack from the publisher of stickers, pencils, bookmarks, and a free CYOA book of their choosing. (Shipping is not included.)

Any current Choose Your Own Adventure (CYOA) book can be used. The person running the group will select a CYOA book to read each session, and the adventurers decide which path the group should take. If the group can't agree, roll a die! After reading through a few storylines, keep the children engaged by running an activity inspired by the book (see list included). Don't forget to get your CYOA Passport stamped—every adventurer who reads all 9 books will receive a special prize pack from the publisher!
